INTRODUCTION

Matteo Trading is a dependable stockiest and general order supplier of quality assured materials in the State of Qatar. We have the resources and experienced professionals to offer quick supplies and services in a timely manner according to clients' requirements.

We are the sole agent of many product lines, covering a substantial business volume for the construction projects in order to strengthen the infrastructure and its phenomenal booming patterns.

We are proud to impart our professional quality services provided by our highly motivated staff for your all supply and service requirements. Cost effective reliable and quality project supplies & support services understanding customers need is our vision.

We have the facility to operate anywhere in the Middle east with our ancillary support around the globe.

BUSINESS ACTIVITIES

We are specialized in the supply & service of following items for any Marine & offshore industry.

Supplies & Services:

1. Marine & Oilfield Products (IMPA, ISSA, RS products)
2. Heat stress Products
3. Hose chokes, Valves, Gaskets
4. Lifesaving equipments
5. Explosion proof materials (EX/ATEX rated)
6. Pneumatic & Industrial Tools
7. Calibration Services & Re-inspection services
8. Chemicals & Cleaning materials
9. Deck & Galley Materials and Consumables
10. Marine/Industrial Paints & painting accessories
11. Automotive & Marine batteries
12. Marine Biodegradable Lubricants & Adhesives
13. Fire & safety items
14. Lifting Equipment
15. HVAC materials
16. Packing & Jointing materials
17. PPE Safety Products
18. Measuring Equipments
19. Belts & Bearings
20. Ropes & Hawsers
21. Metal sheets & Structural Bars
22. Rigging / Welding / Machinery Equipments
23. Electrical & Electronics Products
24. Timber Blocks & Materials / Used Pallet
25. MEP materials
26. Customized Incentive items especially for offshore
27. Digitization of documents (Document classification, indexing and cataloguing)
28. Rental Services

MARINE & OILFIELD PRODUCTS

(We are dealing with all types of ISSA, IMPA, RS & GRAINGER marine and oilfield products)

SAFETY MATTERS THE MOST

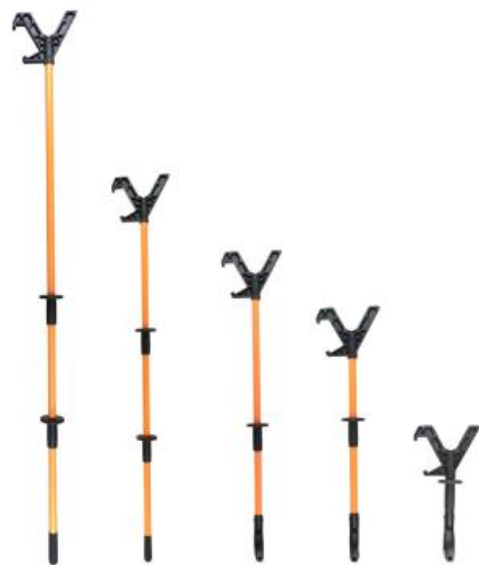

CABLESAFE® SAFETY HOOKS

SIMPLE. STRONG. SAFE.

The CableSafe® safety hook is an ultra-strong, easy to use cable management solution. The open-ended design allows for quick, one-handed installation, while still providing up to a 340 lb load rating from the glass-filled polyester material. The molded-in holes at each end allow you to secure the hook and cables with plastic cable ties.

Push Rating of 2,300 lbs
Pull Rating of 600 lbs

MARINE LUBRICANTS & GREASES

Trusted for Generations

Environmentally Acceptable
Lubricants

VICKERLUBE Corrosion Prevention Range

VICKERLUBE SOFT COAT CPF

Clear Film, Soft, Waxy Corrosion Prevention Fluid

- Excellent long-term corrosion protection for metal surfaces.
- Leaves a soft waxy protective coating after drying.
- Non-flammable, VOC-free product, deposited with a non-aromatic solvent.
- Does not contain heavy metals.
- Does not crack, peel, or chip.
- Excellent water displacement properties.

Applications

Corrosion Prevention for Protection or Long-Term Storage of metal surfaces.

Applications are varied including general purpose or penetrating sealer for parts, components or equipment protector, anti-corrosive coating for outdoor storage or protection of critical spares.

HYDROX BIO: The IdEAL Solution

The Environmentally Acceptable Sterntube Lubricant delivering superior performance and wear protection even when water ingress occurs

- **Verified lubrication at high water levels**
- **Protects bearings against corrosion**
- **Excellent wear protection**
- **ISO 68, 100, 150 & 220**

For sterntubes, stabiliser bearings and CPP hubs
